

**NEW
FIBRE FEED**

Badminton Care 'n' Condition

The image shows the front of a bag of Badminton Care 'n' Condition horse feed. The bag has a green and orange color scheme. At the top is the Badminton Horse Feeds logo, which features a silhouette of a horse and rider. Below the logo, the product name "Care 'n' Condition" is written in a bold, blue font. Underneath the name is a small photograph of two riders on horses in a field. To the right of this photo is a yellow circular badge with the text "Fibre Rich Feed". Below the photo, the text reads "A Complete Fibre Feed in a Bag Ready to Go!". A bulleted list of features is provided, followed by the slogan "The Natural Way to Feed Today".

- High oil for bloom and condition.
- High quality protein for muscle development and recovery.

Feed and Fibre in a bag. Ready to Go!

Fibre Rich Feed

Badminton Care 'n' Condition is a fibrous mix for all horses and ponies in medium work or in need of conditioning. It is also excellent for veterans and convalescents. The added natural long fibre aids digestion and gut action.

Features	Benefits
<ul style="list-style-type: none"> • Added natural long fibre. • High oil. • High quality protein. • Full complement of vitamins and minerals. 	<ul style="list-style-type: none"> • Aids digestive well-being. • Provides slow release energy, bloom and condition. • Aids muscle development and recovery. • Supplies a horse's daily requirements when fed at recommended levels.

Feeding Recommendations

Feed in conjunction with grazing or conserved forage as required. The table gives a daily allowance and may be used as a guide for horses and ponies in medium work. Quantities will vary depending on quality of forage available, as well as weight, temperament, condition and exercise level of your horse or pony.

Height (hh)	11.2	12.2	13.2	14.2	15.2	16.2	17.2
Care 'n' Condition (kg)	1.5—2	2—2.5	2.5—3	3.5—4	4—4.5	5—5.5	5.5—6

Care 'n' Condition is the latest addition to the Badminton Fibre Rich Range of complete feeds. Other products in the range are:

- **Feed 'n' Fibre**—a traditional oat-free mix with added long fibre for horses and ponies in light to medium work.
- **Easy Rider**—long natural fibre with added vitamin and mineral pellets.
- **High Fibre Complete**—a chunky nugget of feed and fibre which can be fed from the ground.
